What?

What?
Virtual PCs

What?

- Personal Dev Boxes
- Highly Customizable
- Self-service
- Tightly integrated

What?

- **Delegation of tasks**
- **BYO images (or not)**
- **BYO infrastructure**
- **Disposable**

How?

How?

How does Dev Box work?

How?

- **Dev Center(s)**
- **Project(s)**
- **Dev Box definition(s)**
- **Dev Box pool(s)**
